

## SPARTA GOLF SOCIETY 6-HOLE VIRTUAL GOLF COMPETITION

**21 – 25 SEPT 2020**

Introducing our virtual golf competition in support of SPARTA's Virtual Activity Week.

To take part, complete a round of golf on a course of your choice during the week 21-25 Sept 2020 and send a picture of your completed scorecard to the email address below.

Your scorecard should clearly show your name, the course played, your club handicap (if you do not have a club handicap, then a society handicap is acceptable) and the tees used (eg. white, yellow or red). Scoring will be stableford but if you are unsure of this just show your gross score on each hole and we shall work it out for you.

The competition is just 6 holes chosen in advance by the organiser. You will not know which 6 holes have been chosen until after the event. Therefore, even if your total score is not that good, it is still worth entering as you could be in with a chance of winning if you did well on the chosen holes.

To be fair, your total score for those 6 holes will be adjusted according to the difficulty of the course you played, using the new slope rating of the course. Don't worry if you don't know the slope rating of your course, we shall look it up (if there is no slope rating for the course, a SSS of 70 will be used). In effect, the percentage difference between the course you played and the standard course as determined by the USGA & R&A will be applied to your score. If you played a course more difficult than the standard, your score will be increased by that percentage. Whereas if you played a course easier than the standard, your score will be reduced by the percentage amount.

This is just for fun, so there is no entry fee. Likewise, the winner will receive a unique virtual prize (shown below) which you will want to have professionally printed, framed and hung proudly in your home or club.

The full results will be posted on the Sparta golf website from 26 Sept:

<https://www.spartagolf.co.uk>.

To enter, forward a photo of you completed scorecard to  
[spartagolfsociety@gmail.com](mailto:spartagolfsociety@gmail.com).

Entries must be received by close of play on 25 Sept.
